Note: New Federal rules for collecting and reporting race/ethnic data as of Summer 2010. Individuals are now given the option of identifying themselves as Hispanic or Not Hispanic, and are also given the option of selecting one or more races. For Federal reporting, anyone who selects Hispanic is reported as Hispanic regardless of any race choices they select. Anyone who selects Not Hispanic and two or more races is reported as "Two or More".

The "Minimum" column reports these Federal categories which sum to the total headcount.

The "Maximum" column reports the total for each of the race categories. For example, the "Maximum" American Indian total will include anyone who selected American Indian alone or in combination with any other race/ethnicity category. The total of the "Maximum" column may exceed the total headcount.

These data are not comparable to data from previous years.
