*Note: Federal standards for reporting race/ethnicity data changed effective Summer 2010. Individuals are now given the option of identifying themselves as Hispanic or Not Hispanic, and are also given the option of selecting one or more races. Anyone who selects Hispanic is reported as Hispanic regardless of any other races selected. Anyone who selects Not Hispanic and two or more races is reported as "Two or More Races".*

*The "Minimum" column reports these Federal categories which sum to the total headcount.*

*The "Maximum" column reports the total for each of the race categories. For example, the "Maximum" American Indian total will include anyone who selected American Indian alone or in combination with any other race/ethnicity category. The total of the "Maximum" column may exceed the total headcount.*
