UNM Facts

2010-2011

Introduction

In Fall 2010, the campuses of the University of New Mexico served 36,510 students; employed 3,736 faculty, 6,805 staff, and 5,050 students (an additional 5,900 staff work at University Hospital, 71 at the UNM Foundation, and 160 at the UNM Medical Group); and had a total operating and capital budget of about \$2.11 billion. In the previous academic year, UNM awarded 4,968 degrees and certificates.

This fact book presents data for all UNM campuses. UNM consists of a Main Campus located in Albuquerque, which includes the Health Sciences Center, Extended University, and Continuing Education, and four branch campuses, which have a two-year degree mission: UNM-Gallup, UNM-Los Alamos, UNM-Taos, and UNM-Valencia. The Extended University provides access to courses on-site and via technologies—including satellite broadcasts, videoconferencing, and on-line instruction—throughout the state. The Extended University also offers courses at centers located in Farmington, Gallup, Hobbs, Kirtland Air Force Base, Los Alamos, Santa Fe, Taos, and Valencia. The university is also offering courses at UNM West (Rio Rancho). The UNM Health Sciences Center and its programs—which include the School of Medicine, College of Nursing, and College of Pharmacy—are sometimes reported in the Fact Book as part of the Main Campus and sometimes separately. Footnotes and labels should make it clear in each case what is included.

An additional unit of the University of New Mexico is the Division of Continuing Education and Community Services, which serves more than 31,000 students annually in various non-credit or certificate courses, workshops, and training sessions. Approximately 200,000 community and UNM participants use the Conference Center facility each year.

New Federal Race & Ethnicity Reporting Rules

Beginning 2010

There are new Federal rules for collecting and reporting race/ethnic data as of Summer 2010. Individuals are now given the option of identifying their ethnicity as Hispanic or Non-Hispanic, and are also given the option of selecting one or more races. For Federal reporting, anyone who selects Hispanic is reported as Hispanic, regardless of any race choices they select. Anyone who selects Non-Hispanic and only one race (e.g., American Indian) is reported as that race, and anyone who selects Non-Hispanic and two or more races is reported as "Two or More".

For example: the American Indian total will include anyone who selected American Indian only. If an individual selected Hispanic and American Indian, they will be reported as Hispanic, and if they selected Non-Hispanic and American Indian and one or more additional race, they will be reported as "Two or More".

International students are reported separately, rather than in any of the racial or ethnic categories.

These data are not comparable to data from previous years.

Degree & Certificate Programs (Main Campus)

UNM's Main Campus offers over 218 active degree and certificate programs. There are 87 baccalaureate, 72 masters, and 38 doctoral level degree programs. In addition, there are 4 doctoral professional practice programs—in law, medicine, pharmacy, and physical therapy—as well as 4 education specialist certificates (graduate programs beyond the masters level), 9 graduate certificate programs, 5 undergraduate certificate programs, and 1 associate degree program. Many of the degree programs have additional concentrations and options (see the UNM catalog for information on degree concentrations: <http://registrar.unm.edu/catalog.htm>).

The University offers an Evening and Weekend Degree Program (EWDP) in which nearly 40 majors and minors are available, and core courses are offered in a number of additional degree programs. About 1,000 classes are offered each semester after 4:00 p.m. or on weekends. Approximately 12,000 non-traditional, working students attend UNM at night each semester. The following list of degree programs are marked with an * if the entire program is available in the EWDP and with a + if several core courses in a program are offered through EWDP.

¹ Anderson Schools of Management offers a BBA, an MBA, and a Post-Masters Certificate in several degree concentrations. See the current UNM catalog or ASM's web page for details on these degree concentrations.

² A BA in Family Studies is offered by the College of Arts and Sciences and a BS in Family Studies is offered by the College of Education.

³ A BAED in Theatre is offered by the College of Education and a BA in Theatre is offered by the College of Fine Arts.

⁴ An MS and a PhD in Nanoscience and Microsystems are offered as a collaborative effort among several departments in the College of Arts and Sciences and the School of Engineering. Degrees are awarded in both Colleges.

⁵ An MS and a PhD in Optical Science and Engineering are offered by the Department of Physics and Astronomy in the College of Arts and Sciences and by the Department of Electrical and Computing Engineering in the School of Engineering.

⁶ The School of Engineering offers a PhD in Engineering; students can concentrate in Chemical, Civil, Electrical, Mechanical, or Nuclear Engineering.

NOTE: Degree programs are marked with an * if the entire program is available in the Evening and Weekend Degree Program (EWDP) and with a + if several core courses in a program are offered through EWDP.

** Includes all active individuals with faculty appointments, including tenured/tenure track, non-tenure track, and temporary faculty as well as faculty administrators.

*** Beginning Fall 2008, most faculty were reclassified with Director job titles as faculty, not administrators. We made our data reflect this change from 2005-forward.

Includes all faculty whose primary assignment is administrative or professional, including the President, Provost, Associate Provosts and others.

These individuals all have faculty appointments, but they are reported as Administrators or Professional staff in the University's Affirmative Action Plan.

¹ Includes Extended University, Continuing Education, Nursing, and Pharmacy.

Networks : Platforms : Applications : Classroom Technologies : Support : Security & Quality

Information Technologies (IT) delivers UNM's enterprise computer and networking systems architecture, operations, applications and security used by all students, staff, and faculty.

- IT delivers, secures, monitors and manages the UNM voice and data networks, computer and storage resources.
- IT underwrites licensing for Microsoft software and negotiated the Dell contract, saving UNM close to \$1 million in FY2010.
- IT manages computing environments such as WebCT, my.unm Portal, computer pods, software for departmental purchase, hardware maintenance, survey and election software, course evaluation and scanned test scoring.
- IT maintains and enhances Banner applications such as Student Admissions, Registration, Financial Aid, Human Resources, Payroll, and Finance, as well as reporting, Degree Audit and other Banner-related applications.
- IT enables UNM NetID authenticated access to the systems above, as well as email, Calendar, Web services and the Internet.

Mission

The mission of IT is to provide leadership for the effective use of information technologies to achieve the University of New Mexico's vision and mission in education, research, and public service, and to support the effective management and administration of those functions.

UNM Main Campus Libraries

Overview

UNM Main Campus Libraries include the University Libraries (UL), the Health Sciences Library and Informatics Center (HSLIC) and the Law Library. University Libraries is administered by the Dean of University Libraries who reports to the Provost and Executive Vice President for Academic Affairs. In the Health Sciences Center the Director of Library Support Services for the HSLIC reports to the Associate Vice President for Knowledge Management and IT and in the Law School the Associate Dean for Library and Information Technology reports to the Dean of the School of Law. The Bunting Visual Resources Library (CFA) provides specialized collections to CFA.

University Libraries

The University Libraries is the largest academic library system in the state with the most paper and electronic resources as well as the most space for students. The physical library is comprised of Centennial Science and Engineering Library, Fine Arts & Design Library, Parish Memorial Library for Business and Economics, and Zimmerman Library. University Libraries also took a lead role in providing services at the new UNM West Campus in Rio Rancho, NM that began in January 2010. The Center for Southwest Research & Special Collections located in the historic West Wing of Zimmerman Library houses significant resources on the Southwest and other collecting areas. The UL is a Government Information Depository Library and Patent and Trademark Depository Library. The UL provides 24/7 on-line services through an extensive set of web pages and offers 24/5 hours for UNM only at Parish Memorial Library.

Law Library

The UNM Law Library houses the largest academic legal research collection in the State of New Mexico and is considered a “large” library under ABA accreditation standards. The library space consists of 32,443 square feet, encompassing two floors with beautiful views of the Sandia Mountains. During the academic year, the Library gate count reaches 10,000+ visits per month, with the Library open an average of 90 hours per week.

Health Sciences Library and Informatics Center

The Health Sciences Library and Informatics Center is the only federally-designated resource library to serve the health information needs of New Mexico. The HSLIC serves the Colleges of Pharmacy and Nursing as well as the School of Medicine, Biomedical Sciences Graduate Program, and Diagnostic & Therapeutic Sciences Programs. HSLIC serves approximately 9,000, including faculty, students, staff and preceptors across the state. HSLIC is open 357 days a year. Over 200 health-related organizations and individual health professionals throughout New Mexico receive specialized services through outreach memberships and other programs.

¹Average award is less than the typical full-year award due to some attrition in the spring semester.

²National Scholars represents National Merit, National Achievement, National Hispanic, and National American Indian awards. This program started in 06-07.

³The Amigo Award is for non-residents, and also provides in-state instead of out-of-state tuition rates.

⁴The other Scholarship category includes athletic awards, departmental awards, and third-party awards from outside of UNM.

⁵NM Scholars program awards not granted to first-time freshmen in 2007-08.
