# **New Federal Race & Ethnicity Reporting Rules**

## **Beginning 2010**

There are new Federal rules for collecting and reporting race/ethnic data as of Summer 2010. Individuals are now given the option of identifying their ethnicity as Hispanic or Non-Hispanic, and are also given the option of selecting one or more races. For Federal reporting, anyone who selects Hispanic is reported as Hispanic, regardless of any race choices they select. Anyone who selects Non-Hispanic and only one race (e.g., American Indian) is reported as that race, and anyone who selects Non-Hispanic and two or more races is reported as "Two or More".

For example: the American Indian total will include anyone who selected American Indian only. If an individual selected Hispanic and American Indian, they will be reported as Hispanic, and if they selected Non-Hispanic and American Indian and one or more additional race, they will be reported as "Two or More".

International faculty, staff and students are reported separately, rather than in any of the racial or ethnic categories.

**These data are not comparable to data from previous years.**

# Campus Naming Conventions

## Beginning 2011

Beginning with the 2011 version of the UNM Fact Book, a new standardized set of campus descriptors were adopted to provide for better consistency in reporting of the data. The descriptors are as follows:

**UNM All Sites and Campuses:** Formerly referred to as ***Total UNM or UNM (HSC & Branches)***, includes all programs, departments, faculty, and staff that report through any of the areas mentioned below.

**Main Campus:** Sometimes referred to as the “Albuquerque Campus,” includes all programs and departments that report to Academic Affairs and to the Health Sciences Center administrative areas. Branch campuses are excluded. This conforms to the National Center for Educational Statics (NCES) Integrated Postsecondary Education Data System (IPEDS) terminology.

**Academic Affairs:** Includes all programs and departments that report through the Provost/Executive Vice President for Academic Affairs administrative areas, including Extended University, Continuing Education, and other sites such as UNM West (Rio Rancho). Branch Campuses and the Health Sciences Center are excluded.

**Academic Affairs/Administrative Areas:** For data pertaining to faculty and staff, includes those individuals reporting through the administrative areas of the Provost/Executive Vice President for Academic Affairs (as listed above), the Executive Vice President for Administration, and the President’s Office. Branch Campus faculty and staff are excluded.

**Health Sciences Center:** Includes programs, departments, faculty and staff that report through the Health Sciences Center administrative areas, including the College of Nursing, College of Pharmacy, and School of Medicine. Branch Campuses are excluded.

**Branches:** Includes all programs, departments, faculty, and staff that report through any of UNM’s four Branch Campuses – UNM-Gallup, UNM-Los Alamos, UNM-Taos, and UNM-Valencia.

<sup>3</sup>Transfer students are students who have taken classes at another institution prior to their first enrollment at any UNM campus. These numbers do not reflect students who may take courses at another institution after first enrolling at UNM.

<sup>4</sup>These are students who first enroll at a UNM branch campus and then subsequently enroll exclusively at the Main Campus in a Main Campus degree program. These numbers do not reflect all the students who may start at the Main Campus and who subsequently take courses at one of the branches that they apply to their Main Campus degree.

<sup>1</sup>Campus descriptors were modified in 2011. See page vii for an explanation of changes.

<sup>2</sup>As of October 31 of each year.

<sup>3</sup>Faculty with temporary appointments include Temporary Adjuncts and retired faculty hired back to teach one or two courses.

<sup>4</sup>With further research, the large numbers of Non-Credit Instructors may be partly due to a non-active status for some instructors who remain in the Banner system.  
In the Banner system Non-Credit Instructors are now able to be identified separately from Temporary Faculty.

<sup>5</sup>Post-Doctoral Fellows are hired on temporary appointments, primarily to conduct research in externally funded projects.

<sup>2</sup>Average award is less than the typical full-year award due to some attrition in the spring semester. For Regents, National, Presidential, and UNM Scholars maximum award amount reported.

<sup>3</sup>National Scholars represents National Merit, National Achievement, National Hispanic, and National American Indian awards. This program started in 06-07.

<sup>4</sup>The Amigo Award is for non-residents, and also provides in-state instead of out-of-state tuition rates.

<sup>5</sup>The other Scholarship category includes athletic awards, departmental awards, and third-party awards from outside of UNM.
